### *“ Legal Implication As A Professional Trainer ”*

#### **THE SOLICITOR**

Mr. Kenneth Siow Itming was called to the bar in March 1994. He is a senior lawyer. His legal practice comprise almost entirely of general litigation in civil matters with corporate and conveyancing experience.

Mr. Kenneth Siow specializes in general litigation work covering a broad area including debt recovery, motor and personal injury accident and insurance work and related work, construction claims, matrimonial and related family matters, probate, adoption, employment, immigration, insolvency, civil and commercial litigation, company and corporate affairs. He also does some intellectual property, fraud and criminal work.

#### **CORPORATE & LITIGATION CLIENTS**

Siow Itming & Co.,’s clients are generally broad based ranging from individuals in casino and other debt cases, construction/renovation firms and companies, motor workshops, insurance companies, management corporations and other corporate and commercial firms and companies. The firm’s bigger clients includes or has included Starhub itself, Singtel, the National Kidney Foundation, AIA Ltd, the Melewar Industrial Group (Malaysia), PSB Corporation, Ecolab Pte Ltd, Flick Habitat Care Pte Ltd, Wizoffice(S) Pte Ltd and others. However, most of the clients comprise or remain the small to medium sized businesses.

In addition to the above, our Mr. Siow has also been involved in the lecturing circuit having given lectures on debt collection work to the banks and the telecomm fraternity some years back.
