Presentation skills every trainer needs  
to know***

**Mr. Rajesh Krishnan**  
**Consultant - Training & development**

Email : [Rajesh.Krshnan@gmail.com](mailto:Rajesh.Krshnan@gmail.com)

Rajesh comes with 14 years of experience in the Learning and Development domain. He describes himself as an Engineer by qualification and a trainer by choice and passion. He started his career training doctors and nurses in the healthcare sector and moved on other domains.

Rajesh has worked with 3 major Indian startups in creating their L&D strategy. The role involved all aspects of training starting from recruitment to developing, delivering and measuring the effectiveness of the training interventions and training process. All the interventions were necessarily aligned to the requirement of the business and helped the business achieve its desired outcomes

Envisaging, Creating and developing a training team that catered to the requirements of 300 trainers was a highpoint in the career. The TTT developed and deployed by Rajesh saw the creating of 150 trainers in a period of 6 months!

A stint in corporate behavior training garnered him a Dale Carnegie certification for all their programs. Rajesh was a Dale Carnegie trainer running senior leadership and behavior workshops. He was instrumental in developing the Executive coaching for presentation and blending in Behavioral assessment as a part of the Leadership programs. Based on the customer feedback, Rajesh was ranked #3 Dale Carnegie trainer in the Asia / Africa / Australia region and 28 globally among the 3000 trainers for the period Sept 07 – Mar 08.\

Rajesh has worked in training in the Healthcare, Telecom, Automotive, Retail and education domains.

His hobbies include cooking, networking and writing poetry. Rajesh has participated on stage for shows through his career.

Currently Rajesh is Trainer Program Facilitator with Singapore Institute of Retail Studies. This is a WDA initiative to professionalize the Retail workforce in Singapore
